

Write a School Report for Lily

Read Lily's school report and create your own.

The other day as I was searching through a pile of old historical papers left behind long ago by the Hartman family, I came across Lily's school report from her time at Lady Octavia Scrimshaw's Young Ladies Academy. As you can see from her teacher's notes, she is really not the best of students...

If you were to write a school report for one of the characters in your story, what might it look like? What kind of student are they? What can you learn about their character and story from what you discover in their report?

*Miss Octavia Scrimshaw's
Finishing Academy for Young Ladies*

SCHOOL REPORT: *Lily Rose Hartman*

READING: *Miss Hartman spends half her time with her head in the latest penny dreadful, and the other sketching ridiculous inventions. I don't believe I've seen her read a proper book all term. Disgraceful.*

SPELLING: *Miss Hartman has a wide vocabulary, certainly, but it is unfortunately one laced with words more fitting of a foul-mouthed dirigible pilot. Must do better.*

ARITHMETIC: *There does not seem to be much that Miss Hartman is able to add up, apart from black marks.*

DEPORTMENT: *It will be a small mercy if Miss Hartman ever finds herself with poise.*

HUMBLENESS: *I have seen very little to suggest that Miss Hartman is on her way to becoming a young lady.*
